Agenda item	Member	Discussion	Actions / Who
<p><u>Item 1</u></p> <p>Draft terms of reference</p>	Ciaran Murphy	It was agreed that the Draft Terms of Reference should proceed as read	Approval by LCDC
<p><u>Item 2</u></p> <p>6. Status of the midterm review - finance</p>	Michael Hand	<p>The under spend and return of monies last year were referred to. There are some areas of under spend at midterm review. One of the areas was direct salary costs where no movement is possible.</p> <p>Michael question if once every 6 month vat returns are allowed by revenue.</p> <p>The low return of 18-24 year old engagement at mid-term has been addressed</p>	<p>LCRL Adrian</p> <p>LCRL/Adrian/Yes</p>
<p><u>Item 3</u></p>	Ciaran Murphy	<p>It was agreed that it would be useful to monitor the progress of back to work enterprise participants after two years.</p> <p>It was mentioned that it would be good if the supports could be extended beyond 2 years by DSP.</p>	<p>LCRL/Enterprise Officer</p> <p>DSP</p>
<p><u>Item 4</u></p>	Ciaran Murphy	<p>Pobal flagged the under spend in goals 1&3 as areas that need to be addressed.</p> <p>In response Adrian stated that while in percentage terms it may seem and issue the numbers are very small and in some cases targets have already been exceeded since the review.</p>	LCRL/ Adrian
<p><u>Item 5</u></p>	Adrian Green	<p>On the issue of engagement with 15-24 year olds the evidence of this is on the IRIS system. Referrals are not as numerous for the past 18 months due to the impact of Jobpath. The implementation of the nationally agreed protocol is not producing the same numbers as previously.</p>	

		There is a need to re-focus on the groups that LCRL support	
<u>A.O.B</u>	Ciaran	Need to meet in Quarter 3 with LCRL Next meeting agreed for Wednesday 19 th October
