Spark Change - Opportunity to showcase your work to a National Audience

"Community and voluntary organisations are invited to submit examples of projects that contributed to the environmental, social or economic sustainability of a community. Your projects will be showcased free of charge on the Spark Change Project's website and social media channels.

Spark Change is a collaborative project of The Wheel and Trinity College Dublin. The project is funded by the Environmental Protection Agency (EPA). The goal of Spark Change is to improve the economic, social and environmental sustainability of communities across Ireland, and to gather information on how community and voluntary activity is contributing to Ireland's commitments to achieve the UN's Sustainable Development Goals by 2030.

This is a great opportunity to raise awareness of your work, showcase your impact and inspire change in other communities.

Submit your story by completing a short online form and uploading a photo and or video at: <https://www.sparkchange.ie/success-stories/>

Please note this offer is open to community-led non profit projects only (no commercial enterprises)".

[Information Evening](#)

What's happening in the Lough Rinn & Lough Forbes River Catchment?

A community information meeting will take place in:

**Cloonmorris Community Centre, Cloonmorris, Bornacoola, Co.
Leitrim N41 DP29**

Tuesday, 2nd April @ 7:30pm

The Lough Rinn and Lough Forbes Rivers have been identified as an Area for Action and you are invited to a community information meeting to discuss how we can make improvements in water quality in your local river. This is a new way of working and everyone can play their part.

This meeting is open to all and will include a Questions & Answers session and an opportunity for informal discussion during tea and coffee.

For more information contact: **Karen Kennedy 085 8085495 / kkennedy@lawaters.ie or Kate Tynan [087 1719503](tel:0871719503) / ktynan@lawaters.ie**
